

Template:Warning

Warning:

The following displays the warning icon and the word "Warning:". You can follow this with whatever text/images/markup you like.

Wiki Code:

```
{{Warning}} Don't do that!
```

Warning:

Don't do that!

The following includes the text passed to the template, and uses a table to stop the text flowing round the icon.

Wiki Code:

```
{{Warning|1=Here is a long warning, which is sufficiently wordy to run onto a second line (unless you have a really large screen!), which would
```

Warning: Here is a long warning, which is sufficiently wordy to run onto a second line (unless you have a really large screen!), which would normally cause it to wrap round the icon, but because we passed it as a parameter it keeps its left alignment straight.
